

## **FRAGMENTS OF THE FORMER ESTATE OF GRAND PRINCES OF THE ROMANOV DYNASTY (THE AGRO-TOWN OF OLD BORISOV)**

It dates back to the XIX century. In January 1899, " Borisovschina "was presented with the" highest order " of the Emperor to the Grand Dukes Nikolai Nikolaevich Jr. and Peter Nikolaevich Romanov. In written sources the most mentioned is the so-called house of Napoleon. Here he spent 2 days while bridges were built for crossing the Berezina river. Before the First world war, members of the Imperial family often stayed at the estate for rest. According to the documents dated 1902, in the estate was founded a free outpatient clinic with a doctor's reception of sick people of Borisov County and a device of free distribution of drugs.

The building is located on the site of the archaeological monument (in the XII-XIII centuries. here was located the ancient Borisov).
